

# Velvet Revolver - Gravedancer

tom:

She's all that I see  
 And all that I breathe  
 Take a breath and hold her in  
 As her shadow's whispering  
 I can hear the laughter  
 Knowing what they're after  
 While she flies right beside me  
 On many broken wings  
 Take, take a look around  
 She's a pretty good dancer  
 She dances on my grave  
 Everytime it goes down  
 Everytime she comes down  
 Everytime we fall down

She dances all over me

She's the world at my feet  
 The sun that gives heat  
 Take a rest and hold her near  
 Or she'll float away from here  
 Cause I'm knowing what your fearing  
 And a sentimental jury  
 And every mile that guides you  
 I'll watch over everything  
 Take, take a look around  
 She's a pretty good dancer  
 She dances on my grave  
 Everytime it goes down  
 Everytime she comes down  
 Everytime we fall down  
 She dances all over me
