

# Velvet Revolver - You Got No Right

tom:

Intro: D Bb C

D  
I fell through the ice  
Bb C D  
She won't be coming back again

It never wins to lie  
Bb C D  
She said you'll never have no rights  
C D  
(She said you'll never have no rights...no right)

Bb C D  
I've took it farther on the outside  
Bb C D  
I've took it nearly to the brink  
Bb C D  
And if you've seen me on the outside  
Bb C D  
You would have barely seen me breathe

Bb C  
Funny right here I find myself  
D  
Inside a paper cup  
Bb C  
Without a warning or a reason it's a treason  
D  
With no answer

Bb  
You got no right  
C  
To keep me waiting here  
Bb  
You got no right  
C  
To keep the pain in here  
D  
That holds the crown

Bb C D  
And if I fall apart on the outside (You really don't believe

me)  
Bb C D  
And if I take it to the brink  
Bb C D  
And if I fall apart on the outside (You really don't believe  
me)  
Bb C D  
You would have barely seen me breathe

Em G D  
And if I meet you out tonight  
Em G D  
Will you be loving me forever

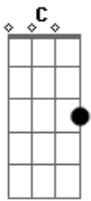

[Solo]

Bb C D  
She won't be coming back again

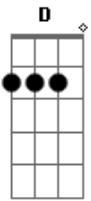

Bb C D  
And if I fall apart on the outside (You really don't believe  
me)  
Bb C D  
And if I take it to the brink  
Bb C D  
And if I fall apart on the outside (You really don't believe  
me)  
Bb C D  
You would have barely seen me breathe

Bb C D  
And if I fall apart on the outside (She said you you'll never  
have no rights)  
Bb C D  
And if I fall apart on the outside (She said you you'll never  
have no rights)  
Bb C D  
And if I fall apart on the outside (She said you you'll never  
have no rights)  
Bb C D  
And if I fall apart on the outside
