the end of the
When I'm rushing on my run
chord marks the

And I feel just like Jesus' son
continues until the

I have made a big decision
D G D G
I'm gonna try to nullify my life

And I guess that I just don't know

D G D G D G D G
I wish that I was born a thousand years ago

D G D G D G
I wish that I'd sailed the darkened seas

G D
On a great big clipper ship

Going from this land here to that

G D
Away from the big city

G D
Where a man can not be free

G D
Of all the evils of this town

G D
And of himself and those around

G D
Oh, and I guess that I just don't know

G D G D G
Oh, and I guess that I just don't know

which

"nullify" in

this pattern

Because a mainline in my vein

G D
Leads to a center in my head

G D
And then I'm better off as dead

the riff2 4X

G D
Cos when the smack begins to flow

G D
Oh, I really don't care anymore

G D
'Bout all the jim-jims in this town

G D
And all the politicians making crazy sounds

G D
And everybody puttin' everybody else down

G D
And all the dead bodies piled up in Nam

riff 2 4x

G D
Cos when the smack begins to flow

G D
And I really don't care anymore

riff 2 2x

G D
When that heroin is in my blood

G D
And the blood is in my head

G D
Then I thank God that I'm as good as dead

G D
And thank your God that I'm not aware

G D
And thank God that I just don't care

G D
And I guess that I just don't know

G D G D G
And I guess that I just don't know
