**D**  
Lady Godiva, dressed so demurely,

Pats the head of another curly-haired boy,

Just another toy.

**D**  
Sick with silence, she weeps sincerely,

Saying words that have oh so clearly been said

So long ago.

Sick with silence, she weeps sincerely  
saying words that have all so clearly been said  
So long ago

Draperies wrapped gently round her shoulder  
life has made her that much bolder now  
That she's found out how

Dressed in silk, latin lace and envy  
pride and joy of the latest penny fair  
Pretty passing care

Hair today now dipped in the water

making love to every poor daughter's son  
Isn't it fun

Now today, propping grace with envy  
Lady Godiva peers to see if anyone's there  
And hasn't a care

Doctor is coming the nurse thinks sweetly  
turning on the machine that neatly pump air  
The body lies bare

Shaved and hairless what once was screaming  
now lies silent and almost sleeping  
The brain must have gone away

Strapped securely to the white table  
ether caused the body to wither and writhe  
Underneath the white light

Doctor arrives, with knife and baggage  
sees the growth as just so much cabbage  
That must now be cut away

Now comes the moment of great, great decision  
the doctor is making his first incision  
One goes here, one goes there

"The ether tube's leaking" says someone who's sloppy  
patient it seems is not so well sleeping  
The screams echo up the hall

Don't panic, someone give him pentathol instantly  
doctor removes his blade cagily so from the brain  
By my count of ten, the head won't move
