

Velvet Underground - Sister Ray

Tom: C

Tabbed by: Gallagher2006

Tuning: Standard

I've only tabbed the essentials of this jam session...

This is the main part of the song, and is repeated lots. A bridge section uses the ${\bf G}$ just hammered for a little bit...

For the rest of the song just improv in ${\color{red}G}$ and play the chords ${\color{red}G}$

I think the scale being used is the mixolydian in $\mathsf{G}\ldots$

So, this scale...

Enjoy!
