I saw you in the disco **B**
 last night in San Francisco
 The way you used your joystick **Gb**
 It really makes my mouse click **B**
 Come sit down on my laptop
 Lets do a little hiphop **Gb**
 Let's go into a chatroom **B**
 And do a little boom boom

I saw you in the disco **B**
 Last week in San Francisco
 The way you used your joystick **Gb**
 Has really made me feel sick **B**
 The doctor checked my harddrive
 A virus in my archive **Gb**
 My disc was not protected
 And now I am infected **B**
