

Ventre - Peso do Corpo

Tom: **F**
Intro: **Gbm7 F#m-**

(**Gbm7 F#m-**)
Prestes a alçar vôo
Faminto feito um cão
Louco pelo peso do seu corpo sobre o meu
Faminto feito um cão

Faço do verde o vermelho, antes que você note
Deita na cama menina, você só conta com a sorte
Afinal, quando eu voltar e eu volto
Louco feito um cão que morde

(**F#m- Gbm**)

Destranca a porta e me espera que eu te quero de novo

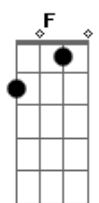

(**Gbm7 F#m-**)
Se me visse pensando agora
Eu garanto, saberia na hora
Da fome desse cão

C B7 Bb Am

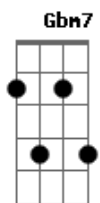

(**C B7 Bb Am**)
Não se sinta surpresa por gostar de estar aqui
Se tudo que faço e penso é pra te ver
Te ver sorrir
