

Verse - What Truth!?

tom:
 Abm
 When I look into your eyes
 Abm
 I believe, I think I'm lost again
 Gb
 Ebm
 What is and what should never be
 Abm
 Is this world we created?
 Gb
 But it seems that everything comes back again
 Ebm
 Cause there's something, we're not seeing
 Abm
 We gotta fight, so put your armor on
 Abm
 We gotta fight, so put your armor on
 Gb
 There must be
 Ebm
 There must be another way
 Abm
 We gotta fight, so put your armor on
 Gb
 We gotta fight, so put your armor on

You must be ready
 Ebm
 Ready to start
 B Bbm
 What is reality?
 B. Bbm
 It's just how you see, the world
 B
 (You can stay or leave)
 Ebm
 If you don't control your mind
 E
 Someone else will
 Abm
 Like if you hold me
 There're things I wanna talk about
 Gb
 But I'm not sure
 Ebm
 I'm not sure, if I want to stay here
 Bbm
 And if you hurt me
 Gb
 Maybe I'll just disappear like the Sun
 Ebm
 I won't come back
