

# Verse - What Truth!?

tom:  
 Abm  
 When I look into your eyes  
 Abm  
 I believe, I think I'm lost again  
 Ebm  
 What is and what should never be  
 Abm  
 Is this world we created?  
 Gb  
 But it seems that everything comes back again  
 Ebm  
 Cause there's something, we're not seeing  
 Abm  
 We gotta fight, so put your armor on  
 Abm  
 We gotta fight, so put your armor on  
 Gb  
 There must be  
 Ebm  
 There must be another way  
 Abm  
 We gotta fight, so put your armor on  
 Gb  
 We gotta fight, so put your armor on

You must be ready  
 Ebm  
 Ready to start  
 B Bbm  
 What is reality?  
 B. Bbm  
 It's just how you see, the world  
 B  
 (You can stay or leave)  
 Ebm  
 If you don't control your mind  
 E  
 Someone else will  
 Abm  
 Like if you hold me  
 There're things I wanna talk about  
 Gb  
 But I'm not sure  
 Ebm  
 I'm not sure, if I want to stay here  
 Bbm  
 And if you hurt me  
 Gb  
 Maybe I'll just disappear like the Sun  
 Ebm  
 I won't come back
