

Versalle - Losers Are Always Losers

```
Intro: Abm Gb E Dbm
It's hard to say
     Ε
But I know I'm out
Dbm
    Abm
Of this game
           Gb
This was the first and final chance
             Dbm
And there's no time for the last dance
             Gb
Don't worth wake up and wonder
            Dbm
About the things I should have told you
           Gb
What happened will not happen again
       Dbm Abm
For real, I don't give a damn
            Gb
But losers are always losers
