

Vessel Worship - Green Pastures

tom:

D

[Primeira Parte]

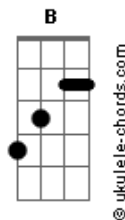

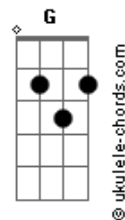

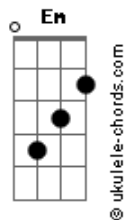

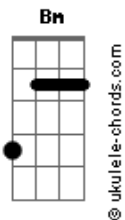

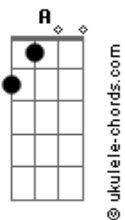

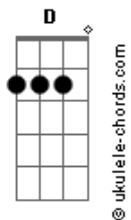

When I?m down
 When I?m lonely
 When I?m weary
 You give me your hand
 When I?m empty
 Lord how you fill me
 Lord you?re my comfort
 You are my home

Chorus
 You pick me up
 You lay me down
 In green pastures
 My home is found
 Without a trace
 I?m di--vinely placed
 In a safe green pasture with you

[Segunda Parte]

When I?m lost
 Stumbling in darkness
 I look to your light, you?re always right by
 Right by my side
 When I?m broken
 Lord how you mend me
 Lord you're my healer, You?re my redeemer
 Yes and amen

Acordes

[Ponte]

You?re my shepherd
 My healer
 My comfort
 My savior
 I?ll inherit
 A grace I don?t understand
 My pleasure
 My portion
 My treasure
 Forever
 I?ll leave my life and
 It?s timing in your hand

[Terceira Parte]

With a whisper
 You give me your wisdom
 Lord you direct me
 Wrapped in your hand
 My heart rejoices
 When you are with me
 Full of your glory
 I?ll rest securely
 Forevermore

[Final]

In a safe green pasture
 In a safe green pasture
 In a safe green pasture with you
