

# Vicente Teixeira - You Don't Love Me

tom:

Intro: D G D G

Every day i do everything for you

And you never say thank you

I buy candies and ice-cream for you

And you don't offer to me, and get everything for you

I like you, but you don't like me

I love you and you don't love me

I take you in my car from home to your school

And you don't even notice me

I invite you to a party , to dance with me

You turn your head avoiding me

I like you, but you don't like me

I love you and you don't love me

As time goes by and something happens to you

You change your mind and now you want me

Now is too late, i have someone better than you

And she wants me too, and she loves me

Now, you say , you like me but i don't like you

And you say You love me, you love me and I don't love you
