tom:

Bb **F** **Gm** **F**
 This ain't my first rodeo
Bb **F** **Gm** **F**
 I've been down this road before
Bb **D** **Gm** **Cm**
 All your pieces on the floor
Eb **F** **Bb**
 And for that I love you more

F **Gm** **F**
 I'm pulling petals of a flower
Bb **F** **Gm** **F**
 Guessing who has lost their power
Bb **D** **Gm** **Cm**
 You say me and I say you
Eb **F** **Bb**
 I'd like to tell the truth

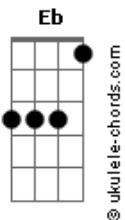

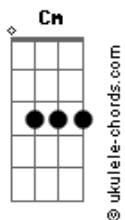

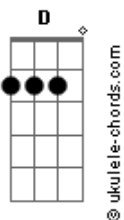

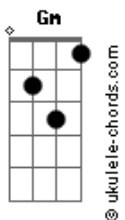

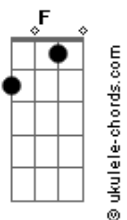

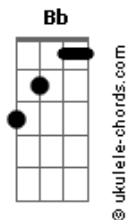

Bb **D**
 Baby, it's what I do
Gm **Eb**
 Baby, it's all so cruel
Cm **F**
 But you won't ever be alone

Bb
 I can get a little angry
D **Gm**
 Be a little dangerous
Cm **Bb** **F**
 No matter what, I'd do it all again for us

Bb
 I can be the one who breaks you
D **Gm**
 Be the one who builds you up
Cm (**Bb** **F**)
 You'd be surprised how many lines I'd cross
Bb
 How many lines I'd cross for love

Bb **F** **Gm** **F**
 I can make your tower fall
Bb **F** **Gm** **F**
 Every brick and every wall
Bb **D** **Gm** **Cm**
 All of your defenses gone
Eb **F** **Bb**
 At the end just holding on
