Why don?t you understand? G  
D Em C  
Why don?t you understand? G D  
A friendship was all that we used to be  
Em C  
Until I started to see what we could be G  
A handsome prince saving me in my dreams  
Em C  
Now I'm seeing things, silly me G D  
Then that joke that we were more than friends  
Em C  
You didn't care at all but I hoped it would never end G  
I fell for you, not a joke this time D Em  
Do you feel the same, not a joke this time C G  
You say you love me but how could I know D Em  
You play with my heart like a tic-tac-toe C G  
My feelings are driving me insane D Em  
Do you feel the same, this is not a game C  
Why don?t you understand G  
That when I said: "I love you" D  
I meant: "I LOVE YOU" Em  
And not just: "love ya bye" C  
Why don?t you understand G  
That when I said: "I want you" D  
I meant: "I WANT YOU" Em  
And not just: "bae, will ya be mine?" C  
'Cause all I want is stay with you G D Em C  
I don?t "wanna hang with you" G D  
Em

I want to "STAY WITH YOU"  
C  
And I'm not kidding this time  
G D

I'm tired of pretending that we're meant to be  
Em C G D Em C
