

Victor Almeida - In Your Presence

tom:

C **Am**
C
 In the stillness, I find You here
F **G**
 In the quiet, I draw near
C **Am**
 Every whisper, every breath
F **G**
 You're the life inside my chest

C **Am**
 In Your presence, all my fears dissolve
F **G**
 In Your presence, I am made whole
C **Am**
 There's no place I'd rather be
C **G**
 Than in Your love, setting me free

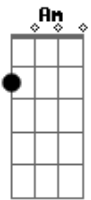

C **Am**
 Through the valley, You walk with me
F **G**
 In the darkness, You're all I see
C **Am**
 Every shadow, fades away
F **G**
 As Your light leads the way

C **Am**
 In Your presence, all my fears dissolve
F **G**
