

# Victor Chaves - Amora

tom:

C

G C E Am A7

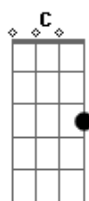

Depois da curva da estrada tem um pé de araçá  
 Sinto vir água nos olhos, toda vez que passo lá  
 Sinto o coração flechado, cercado de solidão  
 Penso que deve ser doce, a fruta do coração  
 Vou contar para o seu pai, que você namora  
 Vou contar prá sua mãe, que você me ignora  
 Vou pintar a minha boca, no vermelho da amora

Que nasce lá no quintal, da casa onde você mora
