

Victor Cordeiro - Tão Perto

tom: E

Soldados fazem guerra
 Impérios se constroem
 A guerra violenta
 Por onde passa destrói
 A dor e o sofrimento
 Apertam o coração
 Daqueles que esperam
 Os que não voltarão

E eu espero por Ti, Jesus
 Pois sei que não

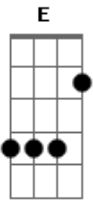

Espero em vão
 Estás tão perto de voltar

Ele me prometeu
 Foi bem assim que eu li
 Aquele que era e é
 E há de vir

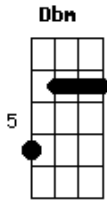

E eu espero por Ti, Jesus
 Pois sei que não

Espero em vão
 Estás tão perto de voltar
