

Victor e Leo - Sem Limites Pra Sonhar

Tom: D

(acordes na forma do tom C)

Capostrate na 2ª casa

Intro: G Bm G Bm

Há uma chance da gente se encontrar, há uma ponte pra nós dois em algum lugar

Quando um homem e mulher se tocam no olhar não há força que os separe

Há uma porta que um de nós vai ter que abrir, há um beijo que ninguém vai impedir

Quando um homem e mulher se deixam levar, é fácil viver mais

Há uma estação, onde o trem tem que parar, to na contramão, te esperando pra voltar

Pra poder seguir, sem limites pra sonhar, pois é só assim que se pode inventar o amor

There's story which is waiting for the heart, to write
I'm going crazy here, just waiting you to close up the night

When the love in a woman finds the love in a man,
there's nothing too precious to hold it

The door is open for the time when you heart returns

In the silence of a kiss we will burn, when the heat in a woman

Finds the heat in a man, the flame burns forever

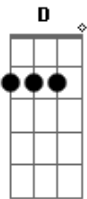

There's come a time my love when the searching has to end

I'm on the wrong-way street, I need more than just a friend

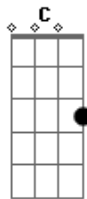

And I'm standing here, just trying to touch the stars, nothing else to lose when

You're searching for the infinite hear
