É tempo de amor
E o vento se acalma
O céu fica azul
Por dentro da alma

Te sinto na paz
Que tem nas campinas
Nas águas puras, claras
Que brotam das minas

É tempo de amor
De curar a dor
Luz na escuridão
Seu beijo cheio de paixão

É tempo de amor
De curar a dor
Luz na escuridão
Seu beijo cheio de paixão

You feel the peace
Across the plains
Flowing like pure water
That comes from the rain

When it's time for love
It's cures everything and then some
You warm me like the sun
With kisses full of passion

When it's time for love
It's cures everything and then some
You warm me like the sun
With kisses full of passion

É tempo de amor
It's cures everything and then some
Luz na escuridão
With kisses full of passion

É tempo de amor (When it's time for love)
De curar a dor (It's cures everything)
Luz na escuridão
Seu beijo cheio de paixão
