

# Victoria Justice - Treat Myself

tom:  
 Ooh, ooh-oooh  
 Ooh-oooh, ooh-oooh  
 [Primeira Parte]  
 Can't sleep through the night again  
 Damn it, here I go again  
 Conversations never end (Oh, oh)  
 You'll never be good enough  
 You're not capable of love  
 Might as well just give it up (Oh, oh)

[Pre-Refrão]  
 Lies, lies, lies  
 Overwhelmed inside  
 Haven't loved myself for a minute  
 Try, try, try to be on my side  
 I'm my own worst enemy, admit it

[Refrão]  
 I need to treat myself better  
 I really can be so unkind  
 I know that I deserve better  
 If only you could hear what goes on in my mind  
 I wouldn't say the things I do to anybody else  
 So why's it okay to say to myself?  
 I need to treat myself better  
 I need to treat myself, treat myself

[Segunda Parte]  
 I don't need nobody else

Runnin' this shit for myself  
 Lightning up and smell all of the roses (Oh, oh)  
 Voices keep on whisperin'  
 But you should just stop listenin'  
 You got all that magic and you know it (Oh, oh)

[Pre-Refrão]  
 Lies, lies, lies  
 Overwhelmed inside  
 Haven't loved myself for a minute  
 [Refrão]

I need to treat myself better  
 I really can be so unkind  
 I know that I deserve better  
 If only you could hear what goes on in my mind  
 I wouldn't say the things I do to anybody else  
 So why's it okay to say to myself?  
 I need to treat myself better  
 I need to treat myself, treat myself

Better than I do  
 Ooh-oooh, ooh-oooh  
 Better than I do  
 Ooh-oooh, ooh-oooh  
 Better than I do  
 Ooh-oooh  
 Better than I do  
 Ooh-oooh  
 Better than I do  
 Ooh-oooh  
 Better than I do  
 Ooh-oooh

I need to treat myself, treat myself
