

Vikram - The Mortal Dance Of Kali

Tom: C

m
 Under the deadliest song
 Sepulchral silence breaks down
 Painting with blood the dry sand
 Warriors between life and death
 They live by the blade
 Fighting a war that never ends
 Dressed in black, cold are the eyes
 The mortal dance of Kali
 Under the enemy blood red veil
 Defenceless nowhere to run
 There's no escape or chances
 The blue pagan spell defeat kali's priest
 In search of the golden city
 Finding the temple of shiva
 Through the doors, empty looks
 Destroy and rebuilding
 Like everything that is to come
 Jai maha, Kali
 Jai ma, kalika
 Om namah, shivaya
 Om Ugram Veeram Mahaa-Vishnum
 Jai maha, Kali
 Jai ma, kalika
 Om namah, shivaya
 Om Ugram Veeram Mahaa-Vishnum
 In Front the temple of gates
 They dance to the sound of sitars
 Prayer and mantras
 to honor the Gods

Devoted and wise is the monk
 Standing alone in lotus
 Who has answers to his fate
 Memories, flying in the desert sands
 Without influence
 You can find the consciousness
 All the past , hidden deep inside
 With nothing to find
 Into all what is the mind
 Jai maha, Kali
 Jai ma, kalika
 Om namah, shivaya
 Om Ugram Veeram Mahaa-Vishnum
 Jai maha, Kali
 Jai ma, kalika
 Om namah, shivaya
 Om Ugram Veeram Mahaa-Vishnum
 (A Bb)
 Down and deeper into the darkness
 Begging protection to any god
 The white eyes glowing in the dark
 The shadows are dancing forever more
 (D G)
 Jai maha, Kali
 Jai ma, kalika
 Om namah, shivaya
 Om Ugram Veeram Mahaa-Vishnum
 Jai maha, Kali
 Jai ma, kalika
 Om namah, shivaya
 Om Ugram Veeram Mahaa-Vishnum
