

Villagers - Hot Scary Summer

Tom: C
Intro: C F

Oh lord

C
So you thank me for my hard work

F
But you've had it up to there

C
Cos this shouldn't be hard work

F C
But i'll fight to care if you'd care to fight

Thank you for your hard work

F
But i've had it up to here

C
Cos this shouldn't be hard work

F
Least not the kind that makes us half a person, half a monster

F Am
Stuck together in this hot scary summer

C
Oh lord

Dm Am
Hot scary summer

G
ohhhhh

C
Remember kissing on the cobblestone, in the heat of the night

C F
And all the pretty young homophobes looking out for a fight

Am C
We got good at pretending, then pretending got us good

F
We've always been up against it, but now it's sad to see
We're up against each other

Am
In this hot scary summer

C
Oh lord
Dm Dm
Hot scary summer
G
ohhhhh

C F
I live inside you, and you live in me

C F
I live inside you, and you live in me

C
Nothing's going to change that, dear

F
Nothing's going to change that, dear

C
Not even being apart

Dm
We'd travel right to the heart of this

Am
Hot scary summer

C
Oh lord

Dm Am
Hot scary summer

G
ohhhhhh

(Am C Dm Am G)

C
So you thank me for my hard work

F
But we've had it up to here

C
Cos this shouldn't be hard work

F
At least not the kind that makes us half a person, half a monster

C
Stuck together in this hot scary summer
