Tom: C
Intro: C F

Oh lord

^C
So you thank me for my hard work

^F
But you've had it up to there

^C
Cos this shouldn't be hard work

^F ^C
But i'll fight to care if you'd care to fight

Thank you for your hard work

^F
But i've had it up to here

^C
Cos this shouldn't be hard work

^F
Least not the kind that makes us half a person, half a monster

^F ^{Am}
Stuck together in this hot scary summer

^C

We've always been up against it, but now it's sad to see
We're up against each other

^{Am}
In this hot scary summer

^C
Oh lord

^C ^F
I live inside you, and you live in me

^C ^F
I live inside you, and you live in me

Nothing's going to change that, dear

Nothing's going to change that, dear

Not even being apart

We'd travel right to the heart of this
