

Vilmário Moura - Me Levanta

tom: G

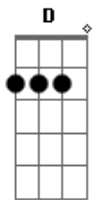

Sedento eu estou, minha alma
 Reconhece que precisa
 Da tua presença

O frio de uma noite, lembrou-me do
 Calor dos teus braços e
 Abraços

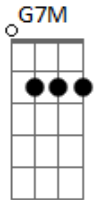

E por mais que eu queira me afastar
 A tua destra perto
 Sempre está, perto está

Chove no deserto que há em mim
 Faz nascer em mim o teu jardim, o teu jardim
 Vem me levantar, papai
 Recolhe meus cacos
 Me leva para casa
 Reconstrua-me
 Eu quero ficar perto de ti
 Só observando, você me
 Amando
 Desejo amar a ti
