

Vinicius de Moraes - Amigos Meus

Tom: F

Amigos meus, está chegando a hora
 Em que a tristeza aproveita pra entrar
 E todos nós vamos ter que ir embora
 Pra vida lá fora conti---nuar 2x

Tem sempre aquele
 Que toma mais uma no bar
 Tem sempre um outro
 Que vai direitinho pro lar

Mas tem também
 Uma sala que está vazia

Sem luz, sem amor, sombria
 Prontinha pro show voltar

E em novo dia
 A gente ver novamente
 A sala se encher de gente
 Pra gente recomeçar

E em novo dia
 A gente ver novamente
 A sala se encher de gente
 Pra gente recomeçar
 Amigos meus...
