

Vinicius de Moraes - Mulher, Sempre Mulher

Tom: C
Intro: C7

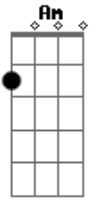

Mulher ai ai mulher
Sempre mulher der no que der
Você me abraça, me beija, me xinga, me bota mandinga
Depois faz a briga só pra ver quebrar
Mulher seja leal

Você bota muita banca
infelizmente eu não sou jornal
Mulher martírio meu
O nosso amor deu no que deu
E sendo assim não insista, desista
Vá fazendo a pista
Chore um bocadinho e se esqueça de mim
