

Vinicius de Moraes - Rosa de Hiroshima

Tom: D

Intro: (D D7 G Gm) A

Pensem nas crianças

Mudas telepáticas

Pensem nas meninas

Cegas inexatas

Pensem nas mulheres

Rotas alteradas

Pensem nas feridas

Como rosas cálidas

Mas, oh, não se esqueçam

Da rosa da rosa

Da rosa de Hiroshima

A rosa hereditária

A rosa radioativa

Estúpida e inválida

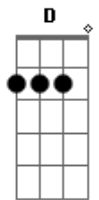

A rosa com cirrose

A anti-rosa atômica

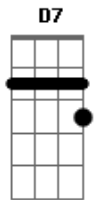

Sem cor sem perfume

Sem rosa sem nada
