

Vinicius de Moraes - Rosa de Hiroshima

Tom: D

Intro: (D D7 G Gm) A

Pensem nas crianças
Mudas telepáticas

Pensem nas meninas
Cegas inexatas

Pensem nas mulheres
Rotas alteradas

Pensem nas feridas
Como rosas cálidas

Mas, oh, não se esqueçam

Da rosa da rosa

Da rosa de Hiroshima

A rosa hereditária

A rosa radioativa

Estúpida e inválida

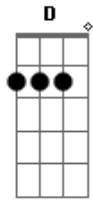

A rosa com cirrose

A anti-rosa atômica

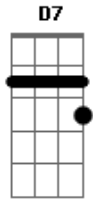

Sem cor sem perfume

Sem rosa sem nada
