

# Vinicius de Moraes - Rosa Desfolhada

Tom: A

**Dm** **D7**  
Tento compor, o nosso amor  
**D** **Gm**  
Dentro da tua ausência  
**Gm** **Gm**  
Toda loucura, todo o martírio  
**A7** **Dm**  
De uma paixão imensa  
**F7** **Bb**  
Teu toca-discos, nosso retrato  
**Bm7** **E7**  
Um tempo descuidado  
// **Gm**  
Tudo pisado, tudo partido  
**A7** **Dm**  
Tudo no chão jogado.

**Gm7 / A7 / Gm7 / A / A7**

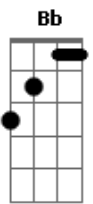

**Dm**  
E em cada canto  
**D7**  
Teu desencanto  
**D** **Gm**  
Tua melancolia  
**Gm** **Gm**  
Teu triste vulto desesperado

**A7** **Dm**  
Ante o que eu te dizia  
**F7** **Bb**  
E logo o espanto, e logo o insulto  
**Bm7** **E7**  
O amor dilacerado  
// **Gm**  
E logo o pranto ante a agonia  
**A7** **Dm**  
Do fato consumado

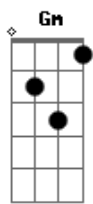

**Gm7 / A7 / Gm7 / A / A7**

**Dm** **D7**  
Silenciosa, ficou a rosa  
**D** **Gm**  
No chão despetalada  
**Gm** **Gm**  
Que eu com meus dedos, tentei a medo  
**A7** **Dm**  
Reconstruir do nada  
**F7** **Bb**  
O teu perfume, teus doces pêlos  
**Bm7** **E7**  
A tua pele amada  
// **Gm**  
Tudo desfeito, tudo perdido  
**A7** **Dm**  
A rosa desfolhada
