Tom: A

m ^G
 We were cracking up
 Pushed to the limit
 Of our ^{Dm} loving ^{Am} home ^{Dm} telling ^{Am} everyone
 We are ^{Dm} all ^F we want
 Open up
 You were like a free bird

 Cause I see you go by my window on
 To another one
^G Right into my arms ^{D7}
^{G7} I'm done trying to catch you
 Lose your ^{Dm} breath and ^{Am} slip into the ^{Dm} home ^{Am}
 Where you ^{Dm} learned ^F true love
^G Lonely lullaby
 I'll cry for you baby
 For your ^{Dm} wings ^C have ^B grown, ^{Am} but you linger on
 Where the ^F wind ^C will blow
^{Gm} Hang on a bad cliff
 Right over my head is you (you're the eye)
 Swing in the fireline
 You're hiding on the inside out (not tonight)
^{Gm} Sit on a fence and you wear all your faces ^C
 (Lose your mind)
^{Gm} You're saving me the trouble
 But you're ^F waiting on the green light hour ^C
 (Comes the time)

Let it out ^F
 Let it out right now
 Lay it all ^C
 Inner war
 Shoot again
 I don't feel a thing ^{Eb}
 Lay it all now lay your weapon down ^F ^F ^{Gb}
^{Gm} Hanging on a bad cliff, right over my head is you ^C
 (You're the eye)
