

Vinicius Marques - Onde Anda a Manuela

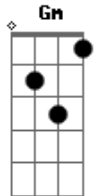

tom:
 F
 Eu fiz pra ela uma casa pequena
 Com um jardim que dava pra janela
 Botei na sala meu gibão de couro
 Minha sanfona velha p'reu tocar pra ela
 Me arrumei todo pus até perfume
 Botei foto no santo com o nome dela
 Quando ela vinha era um alvoroço
 Era no pescoço

Que eu beijava ela
 Mas neste dia a hora passava
 E ela não chegava
 Onde anda a Manuela?
 Vai menino chame Manuela
 Diga pra ela que estou com saudade
 Vai lá na feira passe na capela
 Procure pela cidade
 Mas não volte aqui sem ela
