

# VINICIUS UITI - Clueless

tom:  
D

Tarot card dont lie  
 Although i dont know  
 What the answer means  
 Was my question so  
 Mellow?  
 Have we ever met?  
 I wish it is pretty true  
 Dont keep therein  
 Just staring at me

[Refrão 2x]

Take me by the hand  
 Call me to a dance  
 Where i forget  
 My clueless ass  
 And love will be

Forever more  
 I have too many questions  
 You asked me to shut up  
 Y'said To follow you  
 To next mystery

You took me by the hand  
 Said "come dance with me"  
 Kiss me by the forehead  
 Took me off my misery

Chorus x4 and fade off

Took me by the hand  
 Called me to a dance  
 Where i forgot

My clueless ass  
 And love have been  
 Forever more
