

# Vinicius Voar - Canto Dos Passarinhos

tom:

Gm

Gm7 Cm7

Gm7 F

Canto dos Passarinhos

Dançam, balançam e nunca se cansam de voar

Queria eu poder voar

Pra visitar o meu amor

E convida-la pra jantar

Cm7

Provando mel de flor em flor

Leva-la na beira do mar

Pra declarar o meu amor

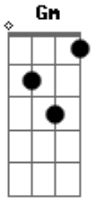

E se acaso ele acabar

Foi lindo enquanto ele durou

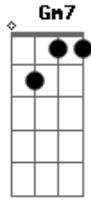

Canto dos Passarinhos

Dançam, balançam e nunca se cansam de voar
