I'm so sorry for all the worries down in your head  
I never wanted you to have a problem just like me  
I'm so bored, but it feels like a party down in my head  
All of my emotions running and bringing the worst of me

And I, I never wanted to feel all the pain  
It gets so heavy down in my brain  
Sometimes I can't breathe

And I, all I ever wanted was to feel the joy  
Can't you feel I'm just a boy  
I can't run from me

Ooh  
Don't you ever think I feel the shame  
Burning down just like a flame  
I'm just a human being

Just remember I'm not made of stones  
And inside of me there's skin and bones  
Trying to feel the heat

Ooh oh ooh ohh

I'm not made of stones  
I've got skin and bones

Ooh oh ooh ohh

I'm not made of stones  
I've got skin and bones

I'm so worried, cause all the red I saw in blue  
And every time I try to make a promise  
I 'm afraid that I'll fail you

And I'm so broken

But every time I try to pick me up  
I fall down again  
I fall down again

On my knees and say

I never wanted to feel all the pain  
It gets so heavy down in my brain  
Sometimes I can't breathe

And I, all I ever wanted was to feel the joy  
Can't you feel I'm just a boy  
I can't run from me

And, oh  
Don't you ever think I feel the shame  
Burning down just like a flame  
I'm just a human being

Just remember I'm not made of stones  
And inside of me there's skin and bones  
Trying to feel the heat

Ooh oh ooh ohh

I'm not made of stones  
I've got skin and bones

Ooh oh ooh ohh

I'm not made of stones  
I've got skin and bones

Ooh oh ooh ohh

I'm not made of stones  
I've got skin  
I've got skin and bones  
I've got skin and bones

I'm not made of stones  
I've got skin and bones
