

Vinny Santa Fé - Frescor

tom:

D

Ah, um dia acreditei estar ao Deus dará

Mas no final do túnel me mostrasse a luz

Por terras de tormentas tive que passar

Segui suas pegadas na areia, e fui

Contigo pra bem longe desse vendaval

A luz naquele túnel nunca foi o fim

É o verde da esperança que guardou pra mim

Se ele for seu guia, pode acreditar

Não há eternidade pra tempo ruim, ai, ai, ai

Ai, pra quem sentiu na pele toda aquela dor

Gozo da brisa leve desse seu frescor

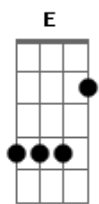

Te dei meu coração e me entregou a paz, a paz

Ai, pra quem sentiu na pele toda aquela dor

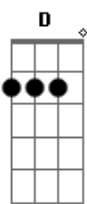

Gozo da brisa leve e desse seu frescor

Te dei meu coração e me entregou a paz
