tom:

**Abm**

**Abm**  
Tell me all your feelings  
**Dbm**  
Whisper in my ear  
**Abm**  
Let go of your demons  
**Dbm**  
Release all your fears

**E**  
Meet me in the night time  
**Dbm**  
Look into my eyes  
**Abm**  
Heal me with your goodness  
**Dbm7**  
Reach into my heart at night

**E**  
Break out of the darkness  
**Dbm**  
Float into the light  
**Abm**  
I'll be your guardian angel  
**Dbm7**  
Don't worry things will be alright  
**E**  
I wanna go deep, deep inside  
**Dbm** **Abm** **Gb**  
I wanna go deep, deep inside your mind
