

Vintage Culture - Party On My Own

tom:
 Em
 Play me a sad song, yeah
 Em
 I wanna move, I wanna drink it by the bottle
 Em
 It's complicated, yeah
 But mixing feelings with tequila
 Gets me wasted

Em Bm
 I get that message when you ignore
 C D
 Blue tick on my text and miss my calls
 Em Bm C
 You take shots at me so I take note

When I hit the floor

Em
 I'm dancing without you, 'out you, 'out you
 C
 Dancing without you, 'out you, 'out you
 Em
 Tell strangers about you

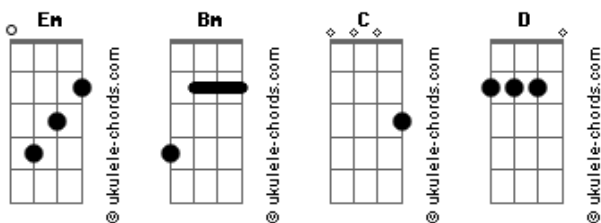

'Bout you, 'bout you
 C
 You're not here to take me home

So I'll party on my own
 D Em
 I'm dancing without you, 'out you, 'out you
 Bm C
 Dancing without you, 'out you, 'out you
 D Em
 We'll leave any time soon

Time soon, time soon
 Bm C
 You're not here to take me home
 D
 So I'll party on my own

Em
 Keep up the tempo, yeah
 C
 Don't miss the beat, don't miss the words

Acordes

Don't miss your tango
 Em
 There's no debating, yeah
 C
 Remixing love songs
 D
 Fill my drink sends me crazy
