

# Vintage Culture - Why Don't U Love

Tom: C

Why are you fading into the stars?  
 No love, no one, no treasure  
 Seems like your plane lands with no hearts  
 No love, no one, no better  
 Just dance all night  
 We own the party and the night  
 Just dance alright  
 We're the party and the night  
 Just dance all night  
 Why dont u love?  
 Why dont u love?  
 Dont u wanna love somebody?  
 Why dont u love?  
 Why dont u love?  
 Dont u wanna love somebody?  
 Why dont u love?  
 Why dont u love?  
 Dont u wanna love somebody?  
 Why dont u love?  
 Why dont u love?  
 Dont u wanna love somebody?  
 Why dont u love?  
 Why dont u love?
