

Vintage Talk - Katie's Song

tom:

Intro: A D E A E^A

Oh can't you see

You're everything I thought you'd be

So I'm talking

With my back against the wall

Against the wall

And as hard as life can be

I look at you and everything

And I'm thinking

It's not that bad at all

Bad at all

So won't you stay for a while

And come a little bit closer

I couldn't find any comfort without you

Won't you wait for a while

Just a little bit longer

I gotta get out this song girl

Just for you

It's a place that we all know

Oh I, I met a girl

Not long ago

Who made me fall

No I, I wasn't much oh but to her

I meant the world

And to me, yeah to me

She means everything
