## Viola Beach - Drunk

tom:

Intro: Am C G [Primeira Parte] I've been really trying to put up a fight Really trying to deal with the night It never works

I've been trying hard to leave you alone Trying not to pick up the phone

I always do

[Refrão]

Am I need to get drunk and if you will It's pretty much unconditional Am Is it your love you're giving up? You're giving up, you're giving up Am Yes, I need to get drunk and if you will G It's pretty much unconditional Am Is it your love you're giving up? You're giving up, you're giving up I know you know  $\ensuremath{\ensuremath{\mathsf{I}}}$  've been wondering where you go

G When you never ring or come home

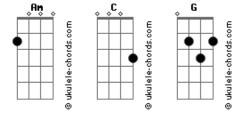

Ring or come home

(Am C G)

[Segunda Parte]

I don't ever really know what to say

## Acordes

Must just be something in the way You look at me It's so, that's ever running around in my mind G Won't you please just throw me a line? I'm losing it [Refrão] Am I need to get drunk and if you will G It's pretty much unconditional Am Is it your love you're giving up? You're giving up, you're giving up Am Yes, I need to get drunk and if you will It's pretty much unconditional Am Is it your love you're giving up? You're giving up, you're giving up Am

I know you know C I've been wondering where you go When you never ring or come home Ring or come home

Am Yeah, I know you know I've been wondering where you go G When you never ring or come home Ring or come home

( Am C G ) ( Am C G ) C G Am Yeah, I know you know C G Am Yeah, I know you know
