

# Violet Soda - Are You Ok?

tom:

Why do I keep asking things  
 That I already know?  
 If you miss me it won't matter  
 Cause I miss you so  
 Please just let me talk with you  
 Until we fade away  
 Cause therapy is going well  
 But I prefer when you say

Are you ok? Are you ok?  
 I just like it when you say  
 Are you ok? Are you ok?  
 I just like it

I just like it

When you say

( G Am C G )  
 ( G Am C G )

Why do I keep asking things  
 That I already know?  
 If you miss me it won't matter  
 Cause I miss you so  
 Please just let me talk with you  
 Until we fade away  
 Cause therapy is going well

But I prefer when you say

Are you ok? Are you ok?  
 I just like it when you say  
 Are you ok? Are you ok?  
 I just like it when you say  
 Are you ok? Are you ok?  
 I just like it when you say  
 Are you ok? Are you ok?  
 I just like it

I just like it when you say

Where are you now?  
 I can't see you now!  
 [Solo]

Are you ok? Are you ok?  
 I just like it when you say  
 Are you ok? Are you ok?  
 I just like it when you say  
 Are you ok? Are you ok?  
 I just like it when you say  
 Are you ok? Are you ok?  
 I just like it when you say  
 Are you ok? Are you ok?  
 I just like it when you say  
 Are you ok? Are you ok?  
 I just like it when you say
