

# Violet Soda - Coffee

tom:

E

Just need a coffee to make me warm  
 I just need a coffee to turn me on  
 I don't need you no more  
 I don't need you no more  
 ( B )

Cause you have nothing to make me stay  
 There is always something to keep me away  
 I don't need you no more  
 I don't need you no more  
 I don't need you

This is the song that will make you understand  
 There's nothing wrong to be alone instead  
 It is sweet and strong, it can't go wrong

This is the song that I dedicated to you

( B F B F B F E D )  
 ( B F B F B F E D )

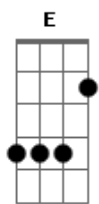

I said I'm alright but you're not satisfied  
 So just say what you want from me, here we go again

This is the song that will make you understand  
 There's nothing wrong to be alone instead  
 It is sweet and strong, it can't go wrong  
 This is the song that I dedicated to you

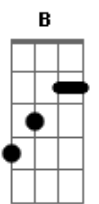

I don't need you  
 I don't need you  
 I don't need you  
 I don't need you
