Violet Soda - You Don't Know Me

```
                        tom:
                    G
          G     C    G          C
I want you to know but my pride don?t
    Am                    F
I made up my mind I don?t wanna forgive you
G       C         G
And this will take some time
C    Am                      F
Carry on for now but I just wanna say

          G         C Bb
You don?t know me
          G         C Bb
You don?t know me
              G
Saying I?m a fool
          C
I?m a liar
      Bb
I?m faking
          G         C Bb
You don?t know me

G      C     G          C
You can try to make this a nightmare
      Am            F
But anyone can see how lonely you?re feeling
G       C        G
And this will take sometime
C    Am                      F
Carry on for now but I just wanna say

          G         C Bb
You don?t know me
          G         C Bb
You don?t know me
              G
Saying I?m a fool
          C
I?m a liar
      Bb
I?m faking
          G         C Bb
You don?t know me
```

```
              G     C Bb
You don?t know me
              G     C Bb
You don?t know me
              G
Saying I?m a fool
          C
I?m a liar
          Bb
I?m faking
              G     C Bb
You don?t know me

Eb                F            C
   I don?t think you deserve to die
Eb                F            C
   For all the bad things that you said
Eb            F            F
   But I want you to pay the price
Eb
   Then I can tell you how
F
   I won?t be broken

              G     C Bb
You don?t know me
              G     C Bb
You don?t know me
                  G
Saying I?m a fool
          C
I?m a liar
          Bb
I?m faking
              G     C Bb
You don?t know me

                  G     C  Bb
No, you don?t know me
              G     C Bb
You don?t know me
              G     C Bb
You don?t know me
              G     C Bb
You don?t know me
```
