

# Violetta - We Can

Tom: Bb

I'm not the sun in your eyes  
 and tomorrow we sur surprise  
 I'm not an enchanted Prince  
 I who I Am

But there are something i know  
 Just come here and i will show  
 In your eyes is really clear

you can if you try , imagine inside

We Can paint our souls  
 With all of the colors  
 We can sing and shout , Yeah  
 We can fly apart  
 With no wings to guide us  
 Be the words to all my songs  
 Find myself in your voice
