Tom: Ab

(com acordes na forma de G)

Capostrate na 1ª casa

G Em C D
 Life used to be a gay thing
 G Em C D
 A filled with happiness, night and day thing
 G Em D
 It was something to have and to hold
 C D C
 But it seems that your love grew cold
 G Em C D
 I never knew that our romance had ended
 G Em Bm
 Until you poisoned my food
 C D
 And I thought it was a lark
 G Em
 When you kicked me in the park
 C D
 But now I think it was rude
 G Em C D
 I never knew that our romance had finished
 G Em Bm

Until that bottle hit my head
 C D
 Though I tried to be aloof
 G Em
 When you pushed me off the roof
 C D G
 I feel our romance is dead
 D Em
 It wouldn't have been so bad if you'd told me
 C
 That someone had taken my place
 D Em
 But no, you didn't even scold me
 C
 You just tried to disfigure my face
 G Em C D
 You'll never know how my poor heart is breaking
 G Em Bm
 It looks so helpless, but then
 C D
 Life used to be so classic
 G Em
 Won't you please put back that acid
 C D G
 And say that we're sweethearts again
