

Virgo - Discovery

Tom: C
Intro: C G7 F C

Am Em
It's easy for us to be
F C G7
Anywhere we dare to decide
Am Em
From millions of memories
F
There's one, that I know
C E7
That will never die
Dm C
Into you're eyes, deep in your soul
F C C7
The flame is still burning on
Dm C
What if we stay here all alone
F C G7
Discovering the world
(C G7 F C)

Am Em
I guess that I've never seen
F C G7

Such a moon as big as tonight
Am Em
And whatever it means to me
F C G7
I'm sure it will keep on moving the tides
Dm C
Into your eyes, deep in your soul
F C G7
I know the flame is still burning on
Dm C G7
What if we stay simply here on our own
F G7
Collecting the stars?
A Gbm Bm A
Something new deep in the sky
Bm Gbm A A7
Playing the sound of eternity
D Bm Gbm Gbm
Still here we stand, gazing at the night
D E E7
While other worlds keep in harmony away
(C Ab F C Gb7 A7)

Bm Gb7 A7
Until the day returns

Acordes
