

Virgo - No Need To Have An Answer

tom: Am Leave me if I still cry Е There's no need to have an answer G To raise and fly E Far beyond the seven oceans the sun may shine Dm F C G Leave me in the arms of pain, away

Bm

A

G Hold me, I've gone too high Gb Bm And the clouds I left below me Now seem to hide Gb All the birds that gap inside me Falling apart Hold me in your arms again Em G Take your time to understand G Get out to the light of day Α Spread your wings, no matter when Just you and me Together relieve To ever believe Α7 In you and me Just you and me

To stay hand in hand And go until the end of you and me Solo: D Bm D Em G Look back, the land so far From above it's like a puzzle A G All filled with scars F7 Far beyond the seven oceans A G I've found a star G Clouds I left bellow one day Now are the ones who light the way Just you and me Fm Together relieve To ever believe A7 D In you and me Just you and me To stay hand in hand And go until the end of you and me "Every day we learn something Every night we dream another's dream Every place recalls something Everyone we meet we'll meet again..."
