Tom: A

Solo:

Let me introduce myself
 I haven't been here for a long time
 Been looking for somebody else
 But only here I feel alright
 How are you now?
 I've been floating through the stars
 Just to be inside your mind
 I wanna wake up where you are
 I wanna hold your hand tonight
 How are you?
 How have you been?
 Did you miss me?

And where did you go?
 Where were you all this time?
 When it feels like home
 In your dreams I walk alone
 I'm trying to find an escape for tonight
 When it feels like home
 In your dreams I sing this song
 Please don't mind
 Please don't wake up tonight
 Please don't mind
 Please don't wake up tonight.
 Uuuuh Uhuuuuu Hu
 Uuuhu Uh Huuuu.
