

Vitohria Sounds - Rei da Glória

tom:

Intro: D A Gbm E

Então desperta ó tu que dormes

O noivo vem aí

O noivo vem aí

E ele vem cavalgando sobre as nuvens

E ele vem caminhando sobre o mar

Com seus cabelos brancos como a neve
E com os seus olhos em chamas, venha reinar

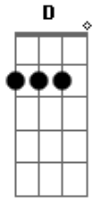

Rei da glória, venha reinar

Rei da glória, toma o seu lugar

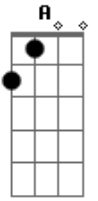

Rei da glória, o trono é seu, venha governar

Pois, o trono dos nossos corações pertencem ao Eterno
