

Vitor Kley - The Sunshine

Tom: G

Hello sunshine,
 Don't be afraid
 Everything will be alright,
 Don't stop the fight,
 That life goes on no matter what happens it happens
 You will win

Everything that you lose you will

Recover no matter what happens you will be able to fight
 And i'll be there

The sun shone,
 And you have the power to return alone
 When these things does not make sense to anyone
 Make sense to me

Riff:
